- (2) Besides routes 95 (shortened route 96) and weekend only route 3a, are there any other 'short working' tram routes where SmartGuide visual display units and audio facilities do not give full information of approaching trams at particular stops; if so:
 - (a) which routes;
 - (b) how many services in each direction are not shown on each route on:
 - (i) Monday to Thursday;
 - (ii) Friday;
 - (iii) Saturday;
 - (iv) Sunday;
 - (c) what would be the cost of changes to provide full information.
 - (3) How many stops in each direction of each of Yarra Trams' 27 routes have SmartGuide visual display units and audio facilities installed.
 - (4) Given difficulties in estimating the exact arrival time of a tram, how accurate is the information provided by SmartGuide.
 - (5) Do SmartGuide and Yarra Trams' tramTRACKER work from the same database to ensure passengers receive similar information regarding when the next trams on particular routes are expected to arrive regardless of which application they use.
