 See attached travel report for further details

INTERNATIONAL TRAVEL REPORT – POLAND & ISRAEL

16 April 2020 – 3 May 2020

(a) Together with 6 all-Party Members of Parliament, I was booked to participate in the 2020 Adult "March of the Living", aka MOTL, Program due to commence in Krakow on Sunday 19 April 2020 and to end in Israel on 4 May 2020.

Due to the outbreak of COVID-19, the first time in the history of March of the Living, the program was cancelled.

(b) This was the first time that a Parliamentary delegation from the Parliament of Victoria was to participate in this internationally acclaimed education program.

This educational program is aimed to provide participants with an understanding of the lessons of the Holocaust and includes a march along the rail tracks to the Auschwitz Concentration Camp to honour the 6 million dead and the many survivors. The program participants are joined by world leaders, Holocaust survivors and their descendants and youth.

The MOTL program concludes in Israel, established as the Jewish State following the atrocities of the Holocaust, in time to commemorate Israel's Fallen and celebrate Independence Day.

(c) The travel related to electorate business. The importance of learning the lessons of the Holocaust and participating in this acclaimed program is value add to every human being and as Members of the Parliament of Victoria, contribute to our ability to represent the multicultural citizens of this state.

I attach a copy of the program for additional information.

(d) No accommodation is being claimed due to the cancellation of the trip.

(e) The claim that I am making for this trip is reimbursement for the cancellation costs of my flights from Melbourne to Krakow on 16 April 2020 and Tel Aviv to Melbourne on 2 May 2020. The total value of the claim is \$509.65, the cancellation fee charged by the airline.

(f) Statement of Objectives:

- Learn and engage in the rich history of Polish Jewry prior to WW2; the history of the Holocaust, examining the roots of prejudice, intolerance and hate and also to experience the revitalization of Jewish culture in Poland today
- Remember those who perished and to be a witness; to pay tribute to the courage of those who survived the Holocaust and rebuilt their lives
- To recognise and learn from the altruistic actions of the "righteous among the nations", who teach us to never be a bystander in the face of oppression
- To return from this experience, with a heightened sensitivity to never again allow for the unchecked rise of the menace of anti-Semitism; to never again allow any kind of racial discrimination directed by any individual or group against another to gain strength, and

further committed to building a world free of oppression and intolerance, where democracy and justice for all members of the human family is more widely practised

- To understand the importance of the State of Israel in the lives of the Jewish people and understand the strong connection with Australia and the contribution of this relationship
