INQUIRY INTO THE CORONER'S ACT 1985

Referred by Order of the Governor in Council on 7 December 2004 to inquire into and report to Parliament on the effectiveness of the Coroner's Act 1985 (the Act) and to consider whether the Act (excluding Part 9) provides an appropriate legislative framework for:

- (a) the independent investigation of deaths and fires in Victoria;
- (b) the making of recommendations to:
 - (i) prevent deaths and fires in Victoria; and
 - (ii) improve the safety of Victorians; and
- (c) the provision of support for the families, friends and others associated with a deceased person who is the subject of a coronial inquiry.

In particular, the Committee is required to recommend any areas where the Act should be amended or modernised to better meet the needs of the Community.

In making its inquiry the Committee should examine equivalent legislation and its operation in other jurisdictions.

The Committee was initially required to report to Parliament by 31 December 2005. An extension has been granted with the report now required by June 2006.

Activities during March 2006

- **Committee meeting to consider detailed chapter outline and possible recommendations**
- **drafting of final report.**

Future Activity

- **report drafting.**

INQUIRY INTO THE ADMINISTRATION AND PROBATE ACT 1958

Referred by Order of the Governor in Council on 3 June 2003 to inquire into, consider and report to Parliament on:

The **Administration and Probate Act 1958** and in particular to have regard to issues including, but not limited to:

1. the desirability of new legislation and procedures to deal with the administration of a deceased person's estate.
2. whether the act should be amended to provide alternative mechanisms for the resolution of disputes that involve small estates;
3. whether the Magistrates Court and the County Court should also be given jurisdiction to deal with grants of probate and administration and deal with disputes relating to wills; and
4. whether amendments are necessary in relation to the charges and commissions of solicitors who also act as executors.

The Committee was originally required to report to Parliament by 30 September 2004. An extension has been granted to the last sitting day of the Spring sittings 2006. The commencement of this inquiry has been delayed to await the final report of the National Committee for Uniform Succession Laws.

Inquiry has not yet commenced.

INQUIRY INTO THE COUNTY COURT APPEALS

Referred by Order of the Governor in Council on 22 September 2005 to inquire into and report to Parliament on:

County Court Appeals with a particular regard to the following:

1. the historical justifications for appeals from the Magistrate's Court to the County Court being heard de novo and whether such justifications continue to exist;
2. the effects of the 1999 changes to County Court Appeals and the extent to which the procedures are applied in practice;
3. the desirability or otherwise of any change having regard to any changes to the seriousness of offences heard by the Magistrates Court;
4. the effect on the number of appeals should the current rights of appeal be changed;
5. if that number would be reduced, the savings to the County Court which would follow;

6. whether any proposed change would affect the way in which hearings in the Magistrates Court are conducted;
7. if so, whether any anticipated gains in the County Court from the proposed change would be outweighed by additional costs in the Magistrates Court;
8. in general, how the Magistrates Court and the County Court operate as one system, and what if any changes to that system will produce the best outcomes for the justice system.

This will be with a view to making recommendations on whether appeals from the Magistrate's Court to the County Court should continue to be hearings de novo, or whether they should be heard in some other way, and if so, what.

The Committee is to make its final report to Parliament by June 2006.

Activities during March 2006

- **Continuing data collection project at County Court registry**
- **pilot project commenced with County Court recording data relating to appeals for February/March/April 2006**

- **further public hearings in Melbourne**
- **compilation of data from County Court and statistical analysis.**

INQUIRY INTO THE LAW OF CONTEMPT OF COURT

Referred by Order of the Governor in Council on 22 September 2005 to inquire into and report to Parliament on:

the law of Contempt of Court with particular regard to the following:

1. what are the aims of the law of Contempt of Court;
2. what conduct amounts, under the existing law, to Contempt of Court;
3. what are the features of the law of Contempt of Court which distinguish it from other laws;
4. where such features exist, is there a clear justification for them;
5. are the principles of the law of Contempt of Court sufficiently certain, or can criticism justifiably be made that they are inappropriately vague;
6. are the procedures currently adopted in relation to allegations of Contempt of Court fair, and do they comply with internationally recognised standards of fairness for such proceedings;

7. are the provisions of the law of Contempt of Court effective in achieving their ostensible aims.

This will be with a view to making recommendations on whether the existing law of Contempt of Court is adequate or whether any reform is required, and if so, what.

The Committee is to make its final report to Parliament no later than the last sitting day of Spring 2006.

Inquiry has not yet commenced.

INQUIRY INTO DRIVER DISTRACTION

The Governor in Council, under section 33 of the *Parliamentary Committees Act 2003*, has referred an Inquiry into Driver Distraction to the Road Safety Committee.

The Committee is required to inquire, consider and make recommendations on the role of driver distraction in causing crashes and, in particular to report on to Parliament on:

1. the prevalence of mobile telephone use by drivers and its impact on crash causes;
2. the prevalence of in-car video devices, their effect on drivers and impact on crash causes;
3. the types of other devices and activities, both inside and outside the vehicle, that may distract a driver's attention from the driving task and lead to unsafe driving;
4. the suitability and enforceability of existing laws concerning the use of mobile telephones and other electronic devices by drivers; and
5. the possible need for change to legislation or statutory requirements to implement any recommendations made as a result of the inquiry.

In conducting its inquiry, the Committee is requested to seek information from the manufacturers and distributors of mobile telephones and other electronic devices with in-car applications, research organisations, Government and non-government agencies, motoring organisations and the community.

In particular, the measures adopted to address the issue of driver distraction in other jurisdictions and countries should be examined.

The Committee is required to report to Parliament by 30 June 2006.

INQUIRY INTO REGIONAL TELECOMMUNICATIONS INFRASTRUCTURE FOR BUSINESS

Referred by Order of the Governor-in-Council on 3 June 2003, for inquiry, consideration and report to Parliament on:

The potential benefits to Victorian regional businesses from improved access to telecommunications infrastructure and services, in particular broadband infrastructure and services, and highlight any impediments that may stop businesses realising this potential. To this end, the Committee should consider the core issues of the:

1. current availability of telecommunication services at affordable prices for businesses in Victorian regional areas;
2. current availability of adequate telecommunications infrastructure for businesses in Victorian regional areas;
3. current level of competition in both the retail and wholesale telecommunications markets in Victorian regional areas;
4. current level of utilisation of available telecommunication infrastructure in regional Victoria;
5. effect that competition, in both the retail and wholesale telecommunications markets, has on the provision of telecommunication services to businesses in Victorian regional areas; and
6. effect that the current regulatory environment has on competition, in both the retail and wholesale telecommunications markets, in Victorian regional areas;

To make recommendations on any necessary or desirable actions that could be taken to assist Victorian regional businesses to be able to take advantage of any benefits from improved access to telecommunications infrastructure and services that may be identified.

The Committee should have regard to other reports that examine this matter in Victoria and other jurisdictions as well as on a national level and in particular:

1. The Telecommunications Services Inquiry 2000 (Besley);
2. The Regional Telecommunications Inquiry 2002 (Estens); and
3. "Australia's Broadband Connectivity" 2003 (Broadband Advisory Group).

This Inquiry has been proposed to examine the above matters with a focus on identifying growth opportunities for Victorian regional businesses through improving access to telecommunication services and infrastructure by improving the Victorian regional telecommunication market environment.

The Committee is required to report to Parliament by 31 March 2006.
