# **Renewable Energy Advocate at community energy projects hearing**

The Victorian Renewable Energy Advocate, Mr Simon Corbell, the Essential Services Commission and representatives from the Victorian Government will present evidence on the opportunities and challenges of community energy to the community energy projects inquiry on Monday 20 March.

The public hearing will be held from 10:00 am to 2:30 pm at 55 St Andrews Place, East Melbourne.

The Economic, Education, Jobs and Skills Committee will also hear from researchers at the University of Melbourne, clean energy developer Countrywide Energy and Frontier Impact Group, which has released a toolkit for community energy groups.

The schedule for the hearing and more details on the inquiry are available from the Committee's [website](#).
