Story:

Did you grow up in rural Victoria?

I grew up in a small town called Dartmoor

What's the best thing about country life?

The best thing about country life is that there are more sporting activities to do on weekends or school holidays.

What would you change about country life?

The thing I would change about country life be better job offers in the local region because there are not very many jobs for students that are in their final year at school

Who do you talk to about rural living?

I would talk to my family about rural living.

Are you planning to leave?

After I finish Year 12 I will consider moving out of Dartmoor, and move to Hamilton, Warrnambool or Mount Gambier.
