PETER. KOMIAZYK

To whom it may concern, Please bare with me through my nightmare full ^{of} anger, frustration, betrayal and the long list continues on the negative feelings towards the church / catholic.

My experiences of abuse both mentally and physically began when I was made a "ward of the state" in 1969-70, for two years.

I was housed at St. Augustine's in Geelong.

As I have stated above: "Please bare with me." I find it very difficult at times raising this nightmare. There is so much to try and explain. Due to the overwhelming abuse and frustration, I hope you will be able to follow my agony. For years now I have been trying to fight my angels, not demons. I have been processed through the catholic churches "TOWARDS HEALING" propaganda. And I must say this was a sham. Just another process to cover up the abuse.

After this long drawn out journey reliving all the shit, The final result I received was, The church will not concede nor deny my allegations. So the abuse continues on. I am now 55 yrs old and can't put this to rest. But I need too.

P.T.O.

How do I do this? I am seeking any help
you may provide. Please.

I have also taken this abuse to the
police. "Ground hog day". Reliving the
nightmare over and over. I have no faith
what-so-ever with the church, yet I was
raised as a catholic going to church with
my family as a kid,

I would like you to look into not just
the sexual abuse committed by the churches
but all the beatings and torture in more
ways than one. To me this is on par
with the sexual abuse. I have experienced
all. When will somebody listen to me
and help believe.

Sorry for my rantings. I have so much
to say. And I do not want to be
another statistic and filed away. I feel
I must close for now. Please help or
guide me to try and close this shocking
chapter of my life. I do hope - what
is left of hope. Please feel free to
ring or reply. I would be grateful.

Thank you for your time.

Yours
P. Kowicz
