To whom it may Concern
My Name is Bernadette Veyt
I was in the care of the good Shepherd
nuns in Bendigo ST Adrians at the
age of 2½ this was in 1960
All my life I was abused and bashed
by the nuns my life was hell
As I was a ward of the State
mentenally and phisicalay I was
thiere Victim I havent got enough
Paper to tell you what I went through
I am willing to make a proper
Statement I had some nuns come
to see me a few years ago They
didnt believe me what I told them
had happened to me they didnt
believe me I said to them we
were little children and how can
so many people say the same story
I believe the government have a lot
to answer for as I was a
Victim of thier sick minds

I have so much to tell you
I am just writing you to let
you know this is the truth.

I hope to hear from you
