Dear Mr SCULL,

I write in furtherance of our telephone conversation on 9 April 2012.

As you recall on that day I called to advise you that I had just been told of the death of Mr John Ayers.

I also advised you that I would be seeking to confirm news of his death.

Today I have received a death certificate in relation to Mr Ayers. The certificate shows that he died in Samoa on 4 April 2012.

I have also enclosed a victims guide to support services and a victims of crime application.

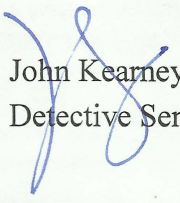

If I can be of any more assistance please do not hesitate to call me.
