Dear Leath,

[REDACTED]

The abovenamed is a patient of Shane Wall and I met with her on 7 November 1997.

I am satisfied that she is a person who is entitled to have her costs of counselling by Shane Wall borne by Carelink. Because the matters with which she is concerned and is receiving treatment for were given to me on strict terms of confidentiality, I cannot provide any further details. However I emphasise that I am eminantly satisfied that she so entitled.

I have forwarded a copy of this letter to [REDACTED] and to Shane Wall, and no doubt you will be contacted shortly.

Yours most sincerely,

  
Peter O'Callaghan  
Independent Commissioner
