Subject Fire Services Reform

Hello

My name is Anne Fiedler and I have been a professional MFB firefighter for 9 years.
I am currently based at the Croydon fire station and hold the rank of a Leading Firefighter.

I write to express my support for the proposed fire services reform.

The MFB Croydon Fire Station is on the fringe of the Metropolitan Fire District. We border onto the suburbs Mooroolbark, Chirnside Park, Wonga Park, The Basin, Bayswater, Montrose which are all currently covered by CFA volunteer fire stations.

All of these surrounding CFA suburbs are quite heavily populated and as a result there is a large amount of residents and infrastructure to protect. As a full time MFB firefighter I respond to emergencies not only in our immediate area of Croydon & Ringwood but also to all of the above mentioned suburbs to assist the volunteer firefighters and the community. This is a very large area that we cover and as a result the professional resources are spread thinly.

The community and all firefighters deserve to be looked after and have the best possible resources available to them.

Yours sincerely
