

# Teacher Open House

Friday 10 April, 3-5 pm

Parliament House, Spring St, East Melbourne

Teachers and educators from across Victoria are invited to an open house experience at the Victorian parliament on Friday 10 April at 3pm.

If you've been considering a school visit to Parliament House or you'd like to know more about the resources that are available to support civics and citizenship in your classroom, then register your place at this free event.

This is an opportunity to explore some of the key spaces inside Parliament House and familiarise yourself with the work that takes place here. Enjoy light refreshments as you chat with parliament staff, ask questions, and connect with colleagues in a relaxed atmosphere.
