Subject: Dying with digniTy
Date: Monday, 15 June 2015 11:40:55 AM

Dear Members

I am a christian and I believe God is compassionate and is against unnecessary suffering.
For me when the time comes if voluntary assisted dying is not legal, suicide will be the alternative.
Look at the stats how many have died by deliberately driving into a tree
Is this choice more acceptable to you. ? We beg you to make voluntary assisted dying legal
Yours respectfully
M Pascal
