i believe that everyone should have the opportunity to choose a peaceful death instead of having to endure a slow painful demeaning death. We do not let our pets suffer - it is considered cruel to refuse euthanasia for them, so why do humans have to suffer?

With legal euthanasia we could have loved ones with us which would make the death easier on all concerned.

I am healthy at the moment, but when the time comes I want to die with dignity - surely that is a basic right.

Please legalise euthanasia as soon as possible PLEASE
