SUBMISSION CONTENT:

--

I have been a volunteer for many years in aged care facilities and have met with many people at the end of their lives.

Some of these people are content to use palliative care while others would welcome the opportunity to end their lives through legal, assisted dying.

I wish to see voluntary assisted dying become law in the state of Victoria.

I would want it for myself, if I were facing inevitable death, rather than lingering for weeks, perhaps months.
