I am against Euthanasia. I believe that it puts at risk the lives of the most vulnerable in society, especially the elderly, sick and depressed. Euthanasia laws can not include adequate safeguards against abuse & I believe it will open up too many fuzzy lines.

I know dying of cancer or some other disease or old age is not nice (my father died of cancer 5 years ago) but where there is life there is hope and I don't believe we should be taking it into our own hands.

My father had a near fatal accident when he was 20 which he miraculously survived, if euthanasia had been around he may have been put to death and not enjoyed another 50 years happy and healthy.

Once again I don't think euthanasia if good.

Thank you for your time.
