I would like to submit my support for a Voluntary Euthanasia Bill.

I am now 72 years of age but have been a supporter all my adult life.

I have watched too many of my friends and family die in terrible suffering and could not and still cannot understand laws that prohibit people from not having a choice to end that suffering.

I would beg the Committee to seriously take into consideration the thousands of Australians who are at this time suffering unbearable pain and would wish to depart this life in a peaceful way.

Kind Regards

John A Iley
