Lillian Topic, Secretary

The Legal and Social Issues Committee

Parliament House

Spring Street

MELBOURNE 3002

SUBMISSION TO THE LEGAL AND SOCIAL ISSUES COMMITTEE

I submit that the legalising of euthanasia would put great pressure on elderly and /or infirm persons to agree to being euthanased at a time when they need support and adequate palliative care.

I further submit that the above submission is sufficient reason, regardless of any other consideration, to NOT legalise euthanasia.
