I am a license holder.

Since the reform, our income has been reduced to nil! Our retirement funds dwindled and any hope of recovering any of our financial loss depleted.

It's all such a scam that Victorian Government allowed these licenses to reach sky high prices out of greed to receive their stamp duty and red tape the industry so much that you were basically working for nothing!

The biggest let down is how quickly they turned their back on the industry allowing other ride-sharing enterprises to flood the marketplace and not offer us any protection.
