I am in the middle of selling my family home to try and clear up some of the left over debt and release some of the stress caused by the forced buy back of my license. I don't know of any operator asking for the very low figure we ended up receiving when our values were 4 to 5 times the amount before the inquiry.

--

Q1:X Owner Operator.

Q2:The government has set up old taxi operators leaving many drowning in a sea of left over debt, when many new operators have come in with lower overheads.

Q3:I was forced out the the industry as bank would not lend money for a new car. I still have 400000 dollars to pay back.

Q4:Very poor service, felt like they were talking down to you when you rang them with an inquiry.
