Hi my name is Erdogan I've been driving a taxi for 27 years. At the beginning I've rented my plates and after 10 years I've bought one .

It took me 15 years to pay it off, all up I had to work 25 years to own a plate. When I mean work not 8am to 4pm it was 4am to 4pm and 6 days a week. Had 3 kids, a family and mortgage had to work hard. I paid 300 thousand to the plate and got back 100 thousand from the government. It was my retirement plan for the future. This is not the Australian way to treat people, no fairness and righteous in it.

After all you have to treat everyone that you want to be treated. I know lot of you will read this and say that's your problem, imagine if it happened to you. Yours sincerely Erdogan Umay
