

PARLIAMENT OF VICTORIA  
Environment and Planning Standing Committee – Legislative Council

## **MEDIA RELEASE**

---

# **Renewable energy inquiry to hold hearings next week**

The Legislative Council Environment and Planning Committee will hold public hearings on Wednesday 16 and Thursday 17 March for its inquiry into renewable energy in Victoria.

The hearings will be [broadcast live](#) on both days and the schedule of witnesses will be available on the Committee's [website](#) on Tuesday.

The inquiry is examining:

- measures to enable Victoria to transition to renewable energy
- jobs and economic benefits and implications of the transition
- investment required to achieve 100 per cent renewable energy generation
- further opportunities for Victoria to reduce emissions
- government action that would be needed to support workers in impacted industries
- the economic risks of not urgently reducing emissions by transitioning to renewable energy.
