

PARLIAMENT OF VICTORIA  
Economy and Infrastructure Committee

## **MEDIA RELEASE**

---

# **Update on key infrastructure projects**

A range of infrastructure projects will be discussed when government agencies and community groups attend a public hearing on Wednesday 20 April at Parliament House.

The hearing with the Victorian Parliament's Economy and Infrastructure Committee will be held from 9:00 am to 5:00 pm in the Legislative Council Committee Room.

CEO of Infrastructure Victoria, Michel Masson will be first up at the hearing, which is part of the Committee's ongoing inquiry into the status of key infrastructure projects in Victoria.

The schedule for the hearing and transcripts of past hearings are available from the Committee's [website](#).
