Always like a good diagram to explain the narrative. Well done and look forward to helping with the 'wording'

Are we also going to colour code potential 'housing' or will this be explanatory via the narrative? Eg. Waurm Ponds athletes village.

Personally I would like to include some specifics in the narrative e.g. 30% social housing in the village within 18 months.

Subject: Response Required - BRP - Working Group on Transport and Housing pitch

OFFICIAL

Hi all, sorry for the late Friday afternoon meeting. You will have all received an invite from Victoria 2026 today for the Regional Engagement Forum – you'll need to register for this directly.

Whilst we wait for the outcome summary from last week's workshop, [REDACTED] was keen for us to progress a meeting to begin preparation for the Engagement Forum, and the Legacy meeting with Minister [REDACTED]. She was also keen for us to come together for an hour 1 week prior to the Forum to present the pitch to the broader group and agree on a presentation approach at the Forum and the meeting with Minister [REDACTED]

For the working group meeting, hoping to get you all together for a 1 hour catch up next week – given your diaries will likely be pretty full by now – thinking an 8am online meeting might be the best option – does 8 or 8.30 work for you next week on either Wednesday or Thursday?

Department reps will be [REDACTED] from Transport and [REDACTED] from RDV for Housing.

I'll also lock in the meeting with the broader RP group at a similar time (ie early morning online) the week prior to the forum.

Can you let me know your preference for the meeting time for next week?

Thanks, any questions - yell out. Have a great weekend!
