

# Parliament of Victoria

## Preparing your expression of interest

Applications for the Victorian Parliament's work experience program are made by expression of interest using the online form. The questions that will be asked on this form are provided here to help you prepare your application:

- What do you hope to learn about yourself and your career ambitions through a work experience placement with the Parliament of Victoria?
- Think about a time when you had to work in a team. What role did you play, and how did you contribute to the team's success?
- Which subjects are you most excited about studying in the next 12 months?
- What elective subjects are you currently studying, or would you like to undertake over the next 12 months?
- Imagine yourself ten years from now. What do you hope to have achieved, and what steps are you taking now to work towards your vision?
- What three words would you use to describe yourself to a stranger?
- Are you involved in any community, volunteer groups, or activities outside of school?

You'll also be asked to specify your preferred placement dates and area of interest, which includes:

- **Parliamentary Sitting Program**  
*Available during the weeks when Parliament is sitting (meeting)*
- **Parliamentary Services Program**  
Nominate your preference of:
  - Business Operations
  - Facilities Management and Maintenance
  - Broadcast (Hansard)
  - Hospitality (Kitchen)
