

Correction to transcript – Department of Transport 2021-22 Budget Estimates

Dear Public Accounts and Estimates Committee,

I would like to correct the record of my testimony in the transcript on page 10.

The current text reads:

Mr TIEPPO: There are already about 18 in service.

I would like to amend it to:

Mr TIEPPO: There are already about 18 in service **from a previous order.**

Regards,
