Members appointed 85

Referral to Committee for inquiry, consideration and report on the effectiveness of vehicle roadworthiness systems in reducing the incidence and severity of crashes 110

Referral to Committee for inquiry, consideration and report by 30 April 2003 on: (a) the incidence, causes and appropriate means of addressing road crashes involving vehicles leaving the road and colliding with roadside objects; (b) the liability and accountability issues relating to roadside utility poles, trees and other fixed objects; (c) appropriate risk management guidelines and practices for roadside hazard management in various speed zones; and (d) the need for change to legislation or statutory requirements to implement any recommendations 510–11

Referral to Committee for inquiry, consideration and report by 31 October 2002 on the factors influencing the fluctuations in the number and severity of crashes involving death and serious injury on Victorian roads from 1988 until the present 511

Amended to no later than 31 May 2003 640
