Dear Adam,

RE: Informal dialogue channels

Firstly, thank you for taking the time on 3 February 2023 to meet with me at the UFU Office. I sincerely appreciate the opportunity for an informal discussion about matters affecting both UFU Members and VFBV Brigade Members.

Further to our meeting, I write to you with a view to opening informal dialogue channels between us. Such informal dialogue channels could be on an as-needs basis, a regular scheduled catch-up (bi-monthly or quarterly), or both. I seek your views on this.

I believe an open and informal dialogue channel between us would assist particularly in areas of common interest between UFU and VFBV.

I look forward to your response.

Yours Sincerely,

Peter Marshall

Branch Secretary
