Question Asked:

To provide copies of survey format and raw data from Our Home Choices report findings.

Response:

The Centre for International Economics was commissioned by Infrastructure Victoria for the stated preference research. Their report *Demand for housing in Victoria Stated preference research Technical Appendix* is available on our website:

<https://www.infrastructurevictoria.com.au/project/our-home-choices/> ,

with the specific document link as follows:

<https://www.infrastructurevictoria.com.au/wp-content/uploads/2023/03/Centre-for-International-Economics-Demand-for-housing-in-Victoria-stated-preference-research-technical-report.pdf> .

The stated preference survey questions are available in this document from page 77 to 96.

The raw data, or estimation results of the model, is available for the selected model on pages 38 to 45, and for other models tested on pages 98 to 170.
