Aiv PUGLIELLI: Thank you, Chair. Good afternoon, Minister and officials. In relation to the racing industry support and regulation output, can I ask what is the FTE of the Greyhound Adoption Program?

Anthony CARBINES: I probably do not have that specifically, but I am happy to get some clarity on the Greyhound Adoption Program staff.

Aiv PUGLIELLI: Yes, the FTE. Just on notice is fine if that is what you need to do.

Anthony CARBINES: Yes, we can talk with GRV in relation to that.

Question: What is the current full-time equivalent (FTE) staff numbers for the Greyhound Adoption Program?

Response: Greyhound Racing Victoria has advised that the current FTE for the Greyhound Adoption Program is 33.7 FTE.

Aiv PUGLIELLI: Can I also ask for the FTE of Greyhound Clubs Victoria's officers as the representative body of greyhound racing clubs in Victoria?

Anthony CARBINES: I think some of that would be in their annual report. But we can –

Aiv PUGLIELLI: I believe it is not, from my searches. But yes, if you can come back to us, that would be good.

Anthony CARBINES: We can clarify what is available.

Question: What is the current FTE number of staff officers at Greyhound Clubs Victoria (GCV)?

Response:

The current FTE for Greyhound Clubs Victoria is 1.
