Question Asked:

Can I just start with that survey that you spoke about, Mr Massarotti? Are you able to provide that on notice? Would you be comfortable in doing that?

Tony MASSAROTTI: Not now. I do not have my laptop with me.

Anasina GRAY-BARBERIO: Not right now, but later – the secretary will be in touch with you later.

The CHAIR: You can just forward it to us on email.

Tony MASSAROTTI: I would be more than happy to.

Response:

The survey referred to was the TAC Provider Check-In Survey, conducted by the TAC between 1 and 14 June 2026. As the survey was conducted directly by the TAC and the [link](#) has expired, neither Tony or the APoDA have access to the survey questions, responses or results and is therefore unable to provide them to the Committee. We kindly refer the Committee to the TAC for further information
