Dear Mr McDonald,

PETITION TABLED IN THE LEGISLATIVE COUNCIL

Matters regarding the suitability of the Daylesford Speedway track for future events are best raised with the Victorian Speedway Council and plans for facility upgrades should be directed to Hepburn Shire Council. Other upgrades, such as a solar farm or mobile tower, should be brought to the attention of the relevant Ministers.

Victoria has a long and proud motorsport history thanks to our network of venues and targeted investments, such as those made through the Community Motorsport Program.

The Allan Labor Government expects all motorsport organisations to operate with integrity and provide safe environments for all participants, including drivers and fans.

Yours sincerely,

The Hon. Ros Spence MP
Minister for Community Sport
