As at 30 September 2015

Presented to both Houses of Parliament pursuant to section 7(4) of the Members of
Parliament (Register of Interests) Act 1978 (No. 9223)

Ordered to be published

INTRODUCTION

Pursuant to the *Members of Parliament (Register of Interests) Act 1978* (No 9223), Members are required to register their interests with the Clerk of the Parliaments by providing information under specific classifications. The classifications may be represented conveniently by the following abbreviated headings*:

Income source
Office held
Company beneficial interest
Party, body or association
Trust beneficial interest
Trusteeship
Land beneficial interest
Travel contribution
Gift exceeding \$500
Other substantial interest

The material that follows is a cumulative summary, reflecting the position with regard to interests registered by all Members of the Parliament up to 30 September 2015.

This document records interests of a continuing nature, together with those which had special relevance to the latest "return period" (i.e., 1 July 2014 – 30 June 2015).

Items registered in earlier years that were of transient interest and have now expired are not repeated here; those are to be found in the Cumulative Summary published in the relevant year.

No reference is made in the individual entries to headings under which a Member has had nothing to register.

R.W. Purdey
Clerk of the Parliaments

* The full text of the several classifications is to be found in the Schedules to the Members of Parliament (Register of Interests) Regulations 2013 (S R No 4/2013)
