Thank you for following up on the matters taken on notice.

To assist the Inquiry with matters taken on notice from Mr Batchelor, Ms McArthur and Ms Crozier I have attached a spreadsheet with all dates, names and the nature of the meeting or communication with Government or MPs.

In summary, across three time phases the interactions were:

1. Period between Activity Centre Program being announced and Phase 1 Consultation closing
None - there was no Phase 1 consultation for Camberwell Junction Activity Centre

2. Period during Phase 2 Consultation (August - September 2024)

None other than attending a public webinar, completing an online survey and uploading a written submission which was not referred to the ACSAC.

3. Period Between Close of Consultation & Announcement of Final Plan for Camberwell Junction on 23 February 2025

- Formal Meeting MPs 2 October 2024 Ryan Batchelor, MP
- Informal Conversation 1 February 2025 Emily Mottram, Executive Director
Activity Centres, DTP
- Emails to MPs 11 Not responded to - requests for information, documents or a meeting (3 Sonya Kilkenny, 6 Ryan Batchelor, 1 each Matt Fregon & John Berger)
- Emails to Government 4 Not responded to - requests for information, documents or a meeting (Natalie Reiter, Andrew McKeegan, Justin O'Meara, Julia Way)
- Emails to Government. 1 Responded to Response limited to information contained in the VPA's Phase 2 *Draft Plan for the Camberwell Junction Activity Centre* (Natalie Reiter)

I have attached the survey questions, the first two pages of which were distributed to Committee Members on Wednesday but not referred to during my Presentation. The purpose was to demonstrate the superficial nature of the consultation and that it was limited to gathering information on what was important to the community *about* Camberwell Junction and the heights and boundaries of the catchment.

Please do not hesitate to contact me should you wish to clarify any of the information provided.

Regards
Jane
