As above

(i) reference to any documents or publications obtained or considered to be of interest in a Parliamentary sense;

(j) brief summaries of the study areas pursued in the countries visited;

As above

(k) summary of the results achieved and any recommendations arising.

The purpose of the trip as stated above were to explore further opportunities for collaboration between the Victorian government and India as well as gaining a deeper appreciation for Indian culture and history.

The access we were given to high ranking government officials was amazing and I learned a lot about opportunities for future collaboration, particularly in health and education.

Also, the opportunity to visit several places of worship as well as sites of historical significance gave me a deeper appreciation of the community that I represent.
