Question: - Ms North was the acting CEO from 9 September to 29 September 2024. You were then acting CEO from 30 September to 24 October 2024. Did Ms North tell you about the legal briefing she had received during her time as acting CEO just a few weeks before, or days before, you took over? - Can we have a copy of those emails and attachments, please? -

Anthony CARLYON: My understanding is the main body of those are subject to Ambulance Victoria's legal privilege. If Ambulance Victoria provides that and if I am able to provide anything that I have been provided, I would do so.

In relation to the question on notice, the documents provided to me by Ambulance Victoria may be subject to legal professional privilege held by Ambulance Victoria. I am not authorised to waive any privilege belonging to Ambulance Victoria. As a result, I kindly request that any request for documents is directed to Ambulance Victoria.
