Dear [REDACTED],

We want to sincerely thank you for all your help in arranging our son [REDACTED] funeral. You handled everything so well from the day we met you on Friday 3 through to the lovely service you co-ordinated yesterday. It couldn't have been a more touching tribute and it would have required a lot of behind-the-scene organising. [REDACTED] would have been totally over-whelmed and also highly embarrassed about so much fuss being made about him. That's the kind of person he has always been- even as a child. I think that came through from the words spoken about him by his family.

I would like you to also pass on my thanks to [REDACTED] for all the work she did organising payroll, the guard of honour the ambulance vehicle, drivers and the wonderful pipers and drummer - especially [REDACTED] whom I didn't recognise in his kilt. [REDACTED] was [REDACTED] first Team Manager and also one of the first paramedics I met when I started to work for Ambulance. He would always volunteer his time at the annual entry exams for new students back then.

Please also pass on my thanks to Tony Walker for allowing so many paramedics to be present at the Caulfield Branch for the guard-of-honour yesterday, for his thoughtful information notice to staff about [REDACTED] death and for the indirect help and support he has offered [REDACTED] over the years. We appreciated it and I know [REDACTED] did too.

I think in years to come [REDACTED] boys [REDACTED] and [REDACTED] are going to remember yesterday with sadness but also with gratitude that so many people really appreciated the wonderful, kind person their Dad was.

Kind regards,

[REDACTED]
