Transport

Meeting Our Transport Challenges will deliver:

1. A world class lifestyle
2. Accessible, connected communities
3. A safer and more secure system
4. Reduced congestion
5. Grow the whole state
6. A plan for the future

Transport

Buses

4 years (2006-2010):

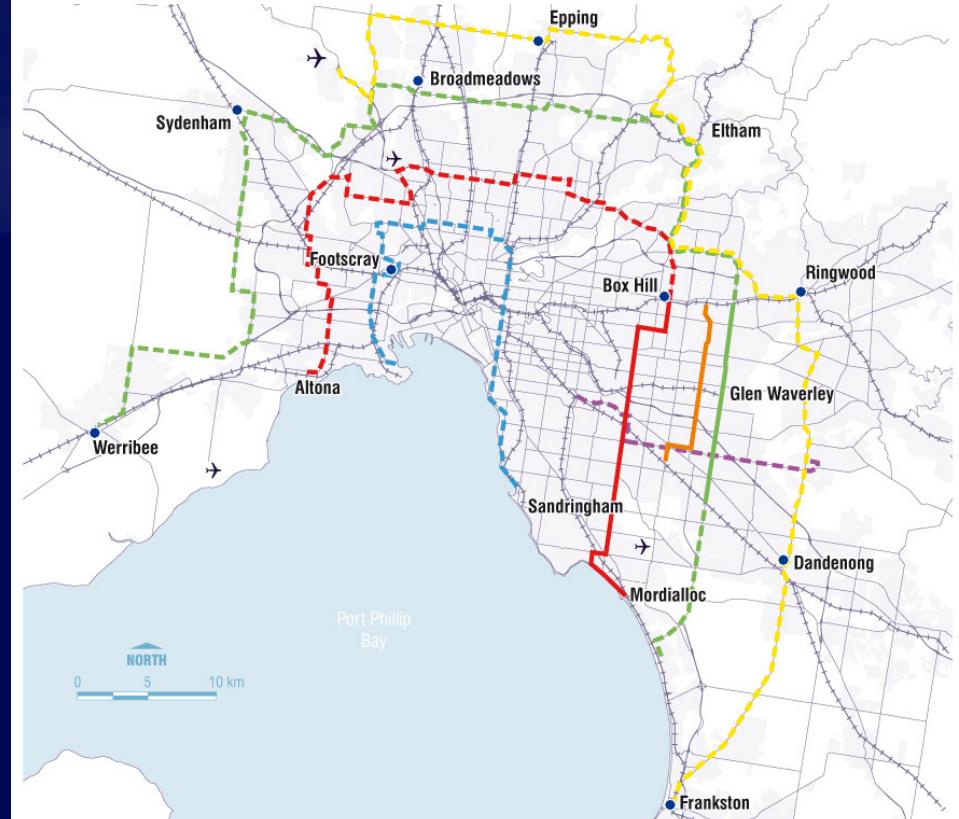

- **\$263 million for bus services**
- **\$178 million** to extend bus routes, extend the hours of operation and more frequent services
- **\$47.2 million** for the next stage of the Red Orbital Smart Bus (Box Hill to Altona)
- **\$37.7 million** for the next stage of the Green Orbital Smart Bus (Nunawading to Airport West)

10 years:

- **\$1.4 billion bus overhaul**
- **\$646 million** to improve and extend local bus services
- **\$657.3 million** to extend the cross-town SmartBus network around Melbourne
- **\$82.7 million** to upgrade bus services linking Doncaster with the CBD

Transport

SMARTBUS NETWORK

SmartBus Routes

Existing SmartBus routes:

- Springvale Road
- Blackburn Road
- Warrigal Road

Future SmartBus routes:

- Blue Orbital
- Red Orbital
- Green Orbital
- Yellow Orbital
- Caulfield to Rowville via Wellington Road

- Existing urban area
- Major road
- + Rail network
- Transit City
- ✈ Airport

Transport

Trains – Building capacity

4 years (2006-2010):

- **\$55 million for rail, incl:**
 - **\$33.6 million** for new late night train services
 - **\$5 million** for new shoulder peak train services
 - **\$16.7 million** for RailNet (expansion of the metro rail network)

10 years:

- **\$2.9 billion** for greater reliability plus more trains & services
- **\$2 billion** for new rail lines and upgrading capacity
- **Around \$800 million** for new trains
- **\$97.1 million** for extra services
- **\$15.4 million** to train 180 new drivers.

Transport

RAIL CAPACITY PROGRAM

Rail Capacity Improvement Program 2006 - 2030

Commence 2006 - 2011

- 1 Clifton Hill Loop reversal
- 2 City Loop - signalling upgrade
- 3 West Footscray to Sunshine - 3rd track and Sunshine to Watergardens - signalling upgrade
- 4 North Melbourne station - interchange upgrade
- 5 Clifton Hill to Westgarth - track duplication
- 6 Caulfield to Springvale - 3rd track
- 7 Laverton to Werribee - signalling upgrade

Commence 2011 - 2016

- 8 Flinders Street - upgrade and track modifications
- 9 Werribee corridor - new station, stabling
- 10 Old Geelong Road level crossing upgrade
- 11 Broadmeadows corridor - stabling
- 12 Upfield to Roxburgh Park - link
- 13 Sandringham station - 2nd platform, stabling
- 14 Cranbourne station - stabling
- 15 Springvale to Dandenong - 3rd track
- 16 Pakenham station - 3rd platform, stabling

Commence 2016 - 2021

- 17 Keon Park to Epping - duplication
- 18 Epping to South Morang - extension
- 19 Newport to Altona junction - 3rd track
- 20 Frankston Line - stabling

Commence 2021 and beyond

- 21 Richmond station - upgrade
- 22 Footscray to West Footscray - 3rd track and Footscray to Sunshine - 4th track
- 23 Dandenong station - 4th platform
