About this book

This book is from the Parliament of Victoria.

This book is about a **survey** you can do

- if you live in Victoria
- if you are allowed to vote.

A survey is when we ask you questions.

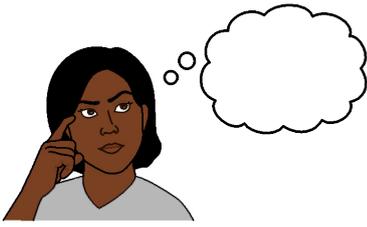

This book tells you

- why we do the survey

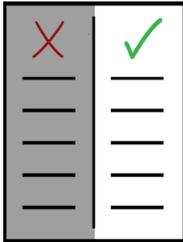

- how you can answer the questions.

What is the survey about?

The Parliament of Victoria wants to know what makes it hard for people to vote.

We do the survey to find out

- what went well in the 2022 Victorian election

- what can be done better.

If you do the survey you can tell us what you think.

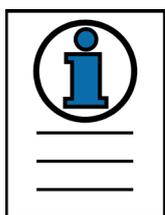

For example, you can tell us

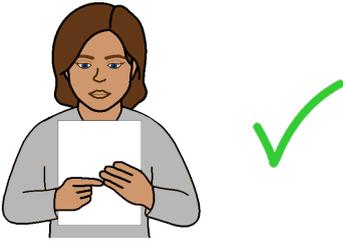

- if you like voting
- if you need support to vote

- if you need more information to vote.

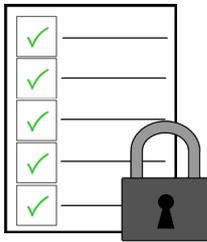

What happens to your answers?

Your answers will tell us how we can make voting better.

We will **not** tell anyone that your answers came from you.

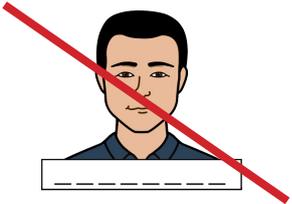

We will keep your answers **private**.

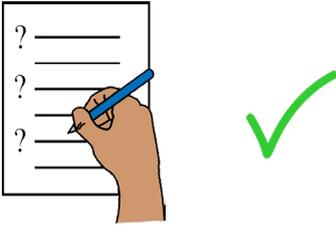

Private means

- we will **not** tell anyone about your answers

- we will **not** tell anyone your name.

You can choose to take part

You can choose

- to do the survey

or

- **not** to do the survey.

It is okay if you choose **not** to do the survey.
