Key Priorities

**Making our planning system
the most efficient in
Australia**

**Maintaining a strong
commercial property
sector in Melbourne's CBD**

**Support
Victoria's
economic
recovery**

**Facilitating land and housing
that keeps pace with demand**

**Keeping communities safe
by delivering the
Government's landmark
Cladding Rectification
Program and effectively
regulating Victoria's
building industry**

What We Are Doing

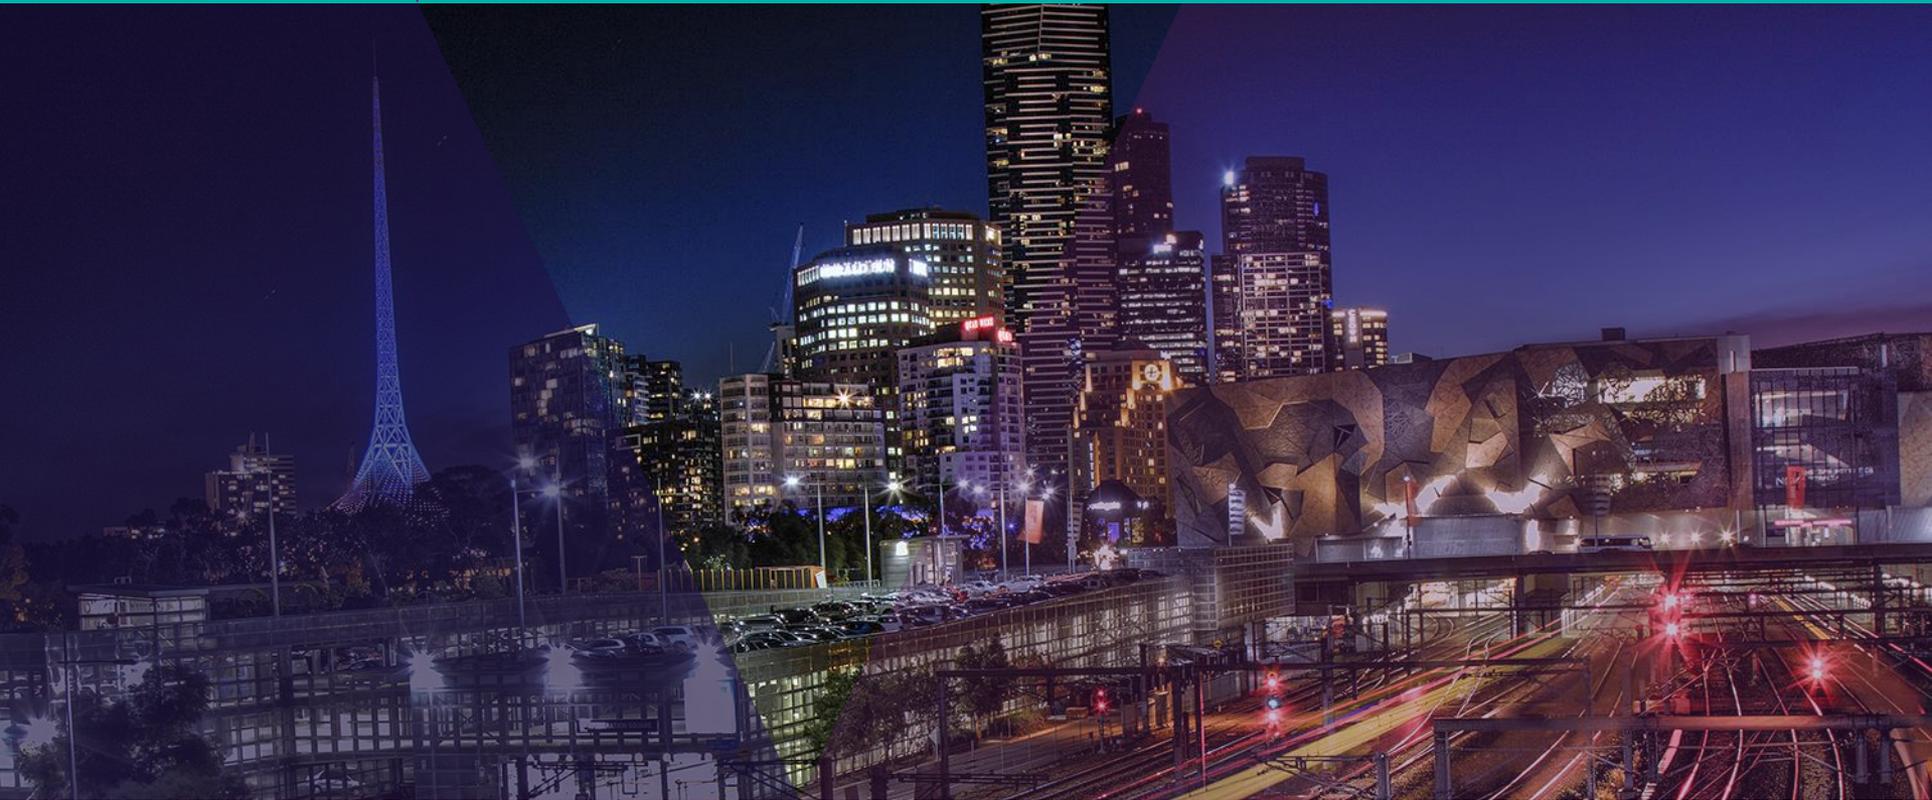

- **Plan Melbourne and its review**
- **Development Facilitation**
- **Enabling the Big Build and Housing Big Build**
- **Planning Reform**

2021-22 State Budget

- **\$14 million** for Victorian Planning Authority's Streamlining for Growth program to continue the strong pipeline of future projects for regional cities, peri-urban areas and Melbourne.
- **\$7 million** for Victorian Planning Authority's Transition to Cost Recovery (Land Supply) program to deliver zoned land to continue to meet demand for housing and employment.
- **\$6.560 million** to further implement vital Plan Melbourne actions and undertake a review of Plan Melbourne in 2022.
- **\$3.782 million** to fast track the reconstruction and rebuilding efforts by local communities impacted by the 2019-20 Eastern Victoria Bushfires.
