Questions on Notice

Mr HIBBINS: Okay, thank you. You can take this on notice, but finally—and I think I asked this last time, but I am not sure we got the figures—can you provide a breakdown for the committee in terms of the postcodes for installation of solar on rental properties?

The table below provides a geographic breakdown of solar PV installations on rental properties under the Solar Homes Program’s Solar for renters rebate stream, as at 23 June 2021.
