Mr Andrew Young  
Clerk of the Legislative Council  
Parliament House  
EAST MELBOURNE VIC 3002

Dear Mr Young

I refer to the Legislative Council's resolution of 3 February 2021 requiring there to be tabled in the Council, on or before 3 March 2021, all documents detailing the design of the Multi-Purpose Taxi Program trial, including, but not limited to all documents—

- (1) detailing the way in which trial participants were recruited, contacted and selected;
- (2) detailing the results of the trial;
- (3) detailing risk assessments conducted for the trial;
- (4) relating to the impact assessments, both financial or otherwise, conducted for the trial; and
- (5) relating to the consideration given to unintended consequences to services provided in the broader disability sector, in particular services provided by wheelchair accessible vehicles.

The Legislative Council's date for production of the documents does not allow sufficient time for the Government to respond to the Council's resolution. The Government is in the process of collating and considering the relevant documents for the purpose of responding to the Order. The Government will endeavour to provide a final response to the Order as soon as possible.

Yours sincerely

**The Hon Jaclyn Symes MP**
