

# How to sign an e-petition

---

1

Go to [www.parliament.vic.gov.au](http://www.parliament.vic.gov.au) in your web browser.

2

Click on '**Legislative Council**' (on the right of the yellow '**Home**' button).

3

On the left side of the page, click on the '**Petitions**' button.

4

Under '**Petitions**' click '**e-petitions**' then click '**View and Sign e-petitions**'.

5

Scroll down the page to view all active petitions.

6

Click on '**Click here to sign**' next to the petition you wish to sign.

7

Type your first name into the box provided.

8

Type your last name into the box provided.

9

Click into the box for '**residential address**'

- By clicking in the box, a pop-up box will appear on your screen requesting to view/track your physical location. This may be in the top left or at the bottom of your screen
- Select '**Allow**' to proceed

10

Type your full residential address. Start with your street number, then street name, suburb, state format

- PO Box numbers are not accepted, it must be a full residential address

11

When you are typing in your full residential address, a drop down box will appear with residential address options.

- Select your address from here

12

Click all three boxes so a tick appears in them

- '**I agree with the terms and conditions outlined here**'
- '**I have read and understood the privacy statement located here**'
- '**I am aware once an e-petition...**'

13

Click '**Join e-petition**'.

14

Robot detection will launch. You are required to identify images based on a theme, follow the instructions to complete. This may be repeated a few times.

15

**You have successfully joined the e-petition.**
