Assistant Clerk Committee,
Department of the Legislative Council
Fire Services Bill Select Committee,
Parliament House, Spring St
East Melbourne VIC 3002

As a long serving member of 55 years of the
Country Fire Service having held the positions
of Secretary, Lieutenant and Captain of
saddlers and disappoints me the present
Government is endeavouring to destroy this
very efficient C.F.A. service.

The lack of consultation between the
Government and all levels of Fire Services
is of great concern to all.

Victoria is one of the most fire prone areas in the
world and if the C.F.A fails to receive
Government support through legislation the
Country Fire Service will be unable to operate
in the efficient manner they are known for.
