

How to sign an e-petition

1

- Go to www.parliament.vic.gov.au in your web browser.

2

- Click on '**Legislative Assembly**' (to the right of the yellow 'Home' button)
- On the left side of the page, click on the '**Petitions**' button.
- Under '**Petitions**' click '**e-petitions**' then click '**View and Sign e-petitions**'.

3

- Scroll down the page to view all active petitions.
- Click on '**Click here to sign**' next to the petition you wish to sign.

4

- Type your first name into the box provided.
- Type your last name into the box provided.

5

- Click on the box for '**residential address**'
- By clicking in the box, a pop-up box will appear on your screen requesting to view/track your physical location. This may be in the top left or at the bottom of your screen
- Select '**Allow**' to proceed.

6

- Type your full residential address. Start with your street number, then street name, suburb, and state.
- Select your address from the drop down box that appears.
- PO Box numbers are not accepted, it must be a full residential address.

7

- Click all three boxes so a tick appears in them
 - ✓ '**I agree with the terms and conditions outlined here**'
 - ✓ '**I have read and understood the privacy statement located here**'
 - ✓ '**I am aware once an e-petition...**'

8

- Click '**Join e-petition**'.
- Robot detection will launch. You are required to identify images based on a theme, follow the instructions to complete. This may be repeated a few times.
