

I Sunny Wilson,

[REDACTED] STRONGLY OBJECT TO ANY PROPSAL to permit Cold Steam Gas to be explored in our beautiful country side the Environmental Issues out way any other so called advantages by the Exploration Company's I don't trust anything they say or promise. THEY CANNOT BE TRUSTED.

Just look at America how it has devastated the land and opened up huge Sink Holes swarrowing up houses and roads.

Sunny Wilson

Tabro Meats Pty.Ltd.
