

To the Environment and Planning Committee,

I AM SITTING IN VERONA ITALY ,THEY ARE ENDURING A PARALYSING HEAT WAVE OF UNPRECEDENTED INTENSITY.THE HEAD LINES IN THE LOCAL PAPERS TALK OF HEAT RELATED DEATHS IN VENICE .THE UK HAS HAD ITS HOTTEST JUNE/ JULY DAY ON RECORD.

IT BEGGERS BELIEF THAT WE ARE EVEN CONSIDERING SPENDING VALUABLE TIME AND MONEY ON AN INDUSTRY THATS CAUSING THE PROBLEM.

PLEASE MAKE THE CORRECT DECISION FOR OUR ECONOMY AND STOP FURTHER GAS PRODUCTION
