Subject: government inquiry into unconventional gas

[REDACTED] [REDACTED]

Dear committee members,

I imagine that some of you have children or even grandchildren I do I live in sydney and am very proudly a knitting nanna against coal seam gas To learn that you want to do this insidious thing in beautiful victoria fills me with horror I was born in melbourne and spent 4 weeks there earleir this year and thought how beautiful it was and how lucky they were to not be plagued by fracking!

UNCONVENTIONAL GAS IS A HIT AND RUN ASSAULT ON OUR FAMILIES< COMMUNITIES AND AGRICULTURAL LAND IT IS THE ASBESTOS OF OUR TIME GO and watch Frackman Go and visit the communities in NSW and Qld DONT DO IT!!!

I am very very concerned

Suzie Gold
