[REDACTED]

**SUBMISSION CONTENT:**

--

Background: After many protests and animal rescues from abusive animal farms a bill was moved by animal agricultural lobby into the Parliament of Victoria to put heavy penalties on AR activists.

I am against this bill because it makes the animal industry even more hidden and farmers can even more easily get away with abusing their animals.

Animal rights' activists are just doing their job by bringing out the truth to the public on animal cruelty issues and are nothing but whistleblowers.
