SUBMISSION CONTENT:

--

We must ensure good, natural lives for animals whose products we eat & use other ways. If they must be killed, let it be locally, quick & humanely.

If this means higher costs then consumers should buy less of them and consume other options such as vegetables.

I feel sorry for animal welfare activists because they are so passionate for kindness to the animals.

We definitely need strong animal welfare laws with plenty of inspectors, fines and prison sentences for wrongdoers.
