**SUBMISSION CONTENT:**

To Whom it may concern,

To ensure accountability and the welfare of sentient beings,all facilities must include,

- surveillance cameras,
- working with vulnerable beings card(accontability,police checks)
- public access,
- staff awareness training.
- counselling for staff.
- compassionate processing.

If there is nothing in place to protect creatures without voices and no rights, those who choose to act on their behalf must not be victimised.

If there is nothing to hide why aren't there shows of the day to day running of abatotoirs on the daily television and the lives of those taken away from their mothers and kept in torturous and unnatural situations all in the name of moreover,profit at anothers expense.

Thankyou,

Melanie Beach-Ross
